### Show intro - Theme

This one is all about me. Since the show is about music I'm into.  
You'll be hearing shit that I have listened to over the last few weeks.  
This is to give you an idea of where I'm currently at with music.  
It isn't comprehensive, but it's a decent idea.  
Here we go, in no particular order.  
Shout out to the Rowdy Rebel Radio podcast for doing it first, and to all the listeners of Point Hammered that encouraged me to do this. Let's hope it works out.
